

Junior League 101

- The Junior League of Tyler is an organization that trains women to be leaders and volunteers in our community and also financially supports many non-profits in the Tyler/Smith County area.
- We are very thankful for all the individuals and businesses in the community that support the Junior League so that in turn we can support organizations that are meeting the needs of so many women, children and men in our community.
- **Organizations Founded by the Junior League of Tyler, Inc.:** Hospice of East Texas, Stewart Regional Blood Center, The Discovery Science Place, Tyler Museum of Art and Tyler Teen Court.
