FOR IMMEDIATE RELEASE

Junior League of Tyler announces the Mistletoe & Magic Gala, Online Auction and Market events

The Junior League of Tyler, Inc. and the 2021 Mistletoe & Magic committee invite you to join us at the Rose Garden Center December 1-4 for the 43rd annual Mistletoe & Magic holiday shopping event.

We are so excited to come together as a community in order to celebrate the holiday season while raising funds and awareness for the community projects and agencies we support. While this year may look a little different with a new venue and new events, we are excited for the opportunity to create new memories and experiences for our shoppers, merchants, and donors!

We are thrilled to kick off this year's events with our Mistletoe & Magic Gala, which will be Saturday, November 13 at Willow Brook Country Club. Our Gala will include dinner, beverages, entertainment by Manhattan, a live auction, and more! It is such a fun evening to thank our sponsors and donors all while learning more about what the mission and funds raised by the Junior League of Tyler do for our community.

Our Mistletoe & Magic online auction also runs November 13 through November 28, where you will have the opportunity to bid on the best jewelry, gifts and experiences from the comfort of your home again this year.

The Mistletoe & Magic holiday shopping event starts with Sneak-A-Peek on December 1 with the rest of the week's activities including a morning of private shopping, performances, a children's style show, professional photos with Santa, and so much more! We are delighted to have "A Beautifully Designed Brunch" scheduled for Friday, December 3, featuring an incredible panel of designers that will share insights on today's latest trends and interior design. For more information or to purchase tickets online, visit www.mistletoeandmagic.com. Tickets will also be available at the door.

The Junior League of Tyler is an organization of women committed to promoting voluntarism, developing women's potential and improving communities through the effective action and leadership of trained volunteers. Its purposes are solely educational and charitable.
