

Touch A Truck

What child doesn't love to **Climb. Learn. Explore. Touch?**! Touch A Truck provides the unique opportunity for children to explore vehicles of all types, including public service, emergency, utility, construction, landscaping, transportation, delivery, and just cool trucks - all in one place! Children will be allowed to touch their favorite vehicles, get behind the wheel, and meet the people who help build, protect, and serve our community. Crafts, games, and food trucks will also be part of the day's activities.

Community Impact

In addition to holding a unique outdoor event for the community, the Junior League of Tyler organizes Touch A Truck to support the League's efforts to improve the lives of children and families in the community. In order to attend this year's event, we would like each group bringing a truck to consider at least the minimum sponsorship level. Proceeds from this year's event will be used to support several community outreach programs that are funded by the Junior League of Tyler.
